US Domestic Shipments: The commodities, technologies of software products are for domestic use. Any export must comply with United States Export Administrations Regulations.
US Exports: These items are controlled by the U.S. Government and authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.
Non US Exports: European Union, Malaysia Strategic Trade Act, Japan, Korea, Singapore, Thailand these commodities, technologies or software products were exported from the manufacturing country in accordance with Local Export Regulations. Diversion contrary to local Law prohibited. The use, sale, re-export, or re-transfer of the items described herein directly or indirectly in any activities related to the design, production, use or stockpiling of chemical, biological, or nuclear weapons or missiles is strictly prohibited.
