In this case, we only assume warranty for the quality and functional efficiency of the spares at time of delivery. If contract undergoes cancellation with consent, Gleason-Pfauter can nevertheless demand the order value less the efforts/expenses saved, but minimum 25% of the order value.</p> <p>Restocking fee / return delivery:                      For material being returned at a later date due to non-usage, we will be charging a restocking fee of 25% of the parts value.                      A return delivery cannot be accepted, if the part was already in use or if the original packing is damaged.</p>
