	<p>Warranty claims for installation without support of Gleason-service personnel:                      Customer#s requested delivery of loose spare parts without installation through Gleason-service engineers excludes regularly our warranty for the correct function of the spare parts in installed condition.                      In this case, we only assume warranty for the quality and functional efficiency of the spares at time of delivery.                      We recommend to carry out the installation by our specialists.</p> <p>Cancellation:                      A one-sided cancellation out of this contract by means of the customer is excluded. A return delivery cannot be accepted, if the part was already in use or if the original packing is damaged.</p> <p>Your personal contact person:                      In case your mentioned partner is not available, you are free to call our "Hotline" using following number:                      Spare Parts:+ 49-7141-4048012                      VAT Number: IT04886850728</p>
