	<p>Warranty claims for installation without support of Gleason-service personnel:                      Customer#s requested delivery of loose spare parts without installation through Gleason-service engineers excludes regularly our warranty for the correct function of the spare parts in installed condition.                      In this case, we only assume warranty for the quality and functional efficiency of the spares at time of delivery.                      We recommend to carry out the installation by our specialists.</p> <p>Cancellation:                      A one-sided cancellation out of this contract by means of the customer is excluded. A cancellation of this contract is only possible with written confirmation of Gleason-Pfauter. Other regulations regarding the termination of this contract as well as the right of the buyer to terminate the contract for cause remain unaffected.                      If contract undergoes cancellation with consent, Gleason-Pfauter can nevertheless demand the order value less the efforts/expenses saved, but minimum 25% of the order value.</p> <p>Restocking fee / return delivery:                      For material being returned at a later date due to non-usage, we will be charging a restocking fee of 25% of the parts value.                      A return delivery cannot be accepted, if the part was already in use or if the original packing is damaged.</p> <p>Your personal contact person:                      In case your mentioned partner is not available, you are free to call our "Hotline" using following number:                      Spare Parts: +49-7141-4048012                      VAT Number: IT04886850728</p>
