We ask you to check completeness of consignment and raise possible objections immediately upon receipt.

Return delivery:

By return delivery of not requires parts we will charge you with 5% handling cost, however 50,00 EUR at least. Spare parts with broken sealtape need to be inspected. We will charge you with inspect costs, minimum 150,00 EUR. Spare parts with delivery time are non-returnable.

The following goods/production documents covered by this document, to be shipped to you are subject to export controls. They are exported pursuant to general licence which allows exports to Italy. I presume that the consigned goods/production documents will be imported to Italy and that in the case of a re-export a licence has been granted by that country.
