Dear Tomasso,

You have received from your forwarder the delivery note 31580551 with 192 pcs. It was before loading. As I have said, during loading one pallet was damaged. We had to remove one pallet from delivery note 31580551, that's why you have only 144 pcs. only. It was not possible to add a new pallet to delivery note 31580551. We had to make a new delivery note 31602235 with 48 pcs. The shipment is in our system completed and we are not able to change something.

Please accept our apologies.

Mit freundlichen Grüßen / Best regards

Hello Ivana.

I have received 192pcs with the d/note 31580551 but in my system I have two d/notes as well as I already wrote you.
I can't post 192pcs with an ASN of 144 and neither I can post 48pcs with the d/note 31602235 because never received, sorry but created the ASN.

I could do as follow:

delete the ASN with d/note 31602235 with 48pcs

adjust the ASN with d/note 31580551 from 144 to 192pcs

It is a must that we receive the invoice accordingly.

OK?

Please confirm.

Thanks.

BR.

Good morning Tomasso,

The first delivery note 31580551 you received was issued for 192 pcs. Unfortunately, during loading one pallet was damaged. We had to replace this damaged pallet. That why you have now the delivery note 31580551 with only 144 pcs. (one pallet was damaged) and the delivery note 31602235 with 48 pcs.(the replaced pallet). So, in total you have received 192 pcs.

We would like to apologise for any misunderstanding.

Mit freundlichen Grüßen / Best regards
