When performing transport activities, the carrier is obliged to comply with the rules existing in terms of road traffic and especially those related to the content of the following articles of the Law Decree 30/4/92, nr. 285 and following amendments: art. 61- dimensional tolerance; art. 164- placing the load on the vehicles; art. 174 -driving duration of the vehicles. The activities of loading of the goods and distribution of the load on the axles is to be borne exclusively by the carrier which must make sure they are safely fastened by means of specific belts and/or straps and everything related to road transport according to the safety rules provided. Particularly, the carrier is obliged to check personally that the goods are loaded in such a way to offer the maximum safety during transportation; moreover it does not have to exceed any weight limits of the vehicle and dimensions. The contractor and/or recipient are not liable for any failure to comply with the instructions, with explicit obligation to indemnify the Customer and/or the Recipient against any penalty received for the non-compliance with the law and except for the repetition for additional payments.
