|                   | <p>the offer/contract after prior information and consultation. Quoted prices and delivery times, whether proposed or confirmed hereby, are subject to change or a surcharge if market conditions (including but not limited to changes in exchange rates, logistics costs, energy and labor costs and raw material prices or availabilities) change significantly prior to delivery of the products.</p> <p>Limitation of Liability :<br/>                     Despite the other provisions of this offer, any order placed hereunder or any other applicable term, Gleason shall not be liable for any special or consequential damages of any kind, loss of profits or loss of production in connection with the subject matter of this offer or any order placed hereunder, <del>but this section shall not limit</del> Seller's liability for personal injury (including death) and property damage or Seller's contractual obligations against infringement of intellectual property or breach of any obligation of confidentiality.</p> <p>Note on transmission of material numbers :<br/>                     Please note that we do not check or technically compare material numbers if you identify them yourself as part of the inquiry/order and provide them to us. In this case, Gleason assumes no liability for any incorrectly supplied parts or components.</p> <p>Warranty claims for installation without Gleason qualified personnel :<br/>                     If the customer requests the delivery of loose spare parts without a Gleason installation service, our guarantee for the correct function of the spare parts in the installed state is regularly excluded. Our warranty then applies exclusively to the condition and functionality of the spare parts upon delivery. We recommend installation by our specialists.</p> <p>Export control:<br/>                     Some of our products are subject to export control by the Federal Office of Economics and Export Control. It is agreed that the legally binding conclusion of a contract is subject to the condition that the Federal Office of Economics and Export Control (BAFA) grants any necessary permits for the sale, delivery, transfer and/or export of the goods/technology concerned for use in the destination country. If articles are subject to export control by the Federal Office of Economics and Export Control, the delivery date may depend on the date on which the export license is issued.
