	<p>addition to the supplementary terms and conditions applicable herein, the delivery and services are exclusively based on our terms of sales and delivery which will be submitted on request.</p> <p>Legal : All prices and delivery times offered are subject to price and availability adjustments by our suppliers. We reserve the right to adjust the prices offered in the event of unexpected and unforeseeable raw material price increases, even during the term of the offer/contract after prior information and consultation. Quoted prices and delivery times, whether proposed or confirmed hereby, are subject to change or a surcharge if market conditions (including but not limited to changes in exchange rates, logistics costs, energy and labor costs and raw material prices or availabilities) change significantly prior to delivery of the products.</p> <p>Limitation of Liability : Despite the other provisions of this offer, any order placed hereunder or any other applicable term, Gleason shall not be liable for any special or consequential damages of any kind, loss of profits or loss of production in connection with the subject matter of this offer or any order placed hereunder, but this section shall not limit Seller's liability for personal injury (including death) and property damage or Seller's contractual obligations against infringement of intellectual property or breach of any obligation of confidentiality.</p> <p>Note on transmission of material numbers : Please note that we do not check or technically compare material numbers if you identify them yourself as part of the inquiry/order and provide them to us. In this case, Gleason assumes no liability for any incorrectly supplied parts or components.</p> <p>Warranty claims for installation without Gleason qualified personnel : If the customer requests the delivery of loose spare parts without a Gleason installation service, our guarantee for the correct function of the spare parts in the installed state is regularly excluded. Our warranty then applies exclusively to the condition and functionality of the spare parts upon delivery. We recommend installation by our specialists.</p> <p>Gleason's customer service offers the installation of spare parts</p>

	<p>professionally and quickly - when quoting a spare part, ask us for the installation as well. We recommend to combine scheduled visits of Gleason Service Technicians at your operation with a maintenance service program to have your machine's condition checked to keep machine availability at maximum levels. Ask your local Gleason Service team to determine the best fit for your specific service requirements: www.gleason.com/services</p> <p>Export control: Some of our products are subject to export control by the Federal Office of Economics and Export Control. If articles are subject to export control by the Federal Office of Economics and Export Control, the delivery date may depend on the date on which the export license is issued. We would like to point out that in the event of export or re-export by third parties, the exporter must observe and comply with the applicable statutory export control regulations and restrictions.</p> <p>Cancellation and return of goods : Unilateral termination of the contract by the buyer is excluded.
