In this case, Gleason assumes no liability for any incorrectly supplied parts or components.</p> <p>Warranty claims for installation without Gleason qualified personnel : If the customer requests the delivery of loose spare parts without a Gleason installation service, our guarantee for the correct function of the spare parts in the installed state is regularly excluded. We recommend installation by our specialists.</p> <p>Gleason's customer service offers the installation of spare parts professionally and quickly - when quoting a spare part, ask us for the installation as well. We recommend to combine scheduled visits of Gleason Service Technicians at your operation with a maintenance service program to have your machine's condition checked to keep machine availability at maximum levels. Ask your local Gleason Service team to determine the best fit for your specific service requirements: www.gleason.com/services</p> <p>Export control: Some of our products are subject to export control by the Federal Office of Economics and Export Control. If articles are subject to export control by the Federal Office of Economics and Export Control, the delivery date may depend on the date on which the export license is issued. We would like to point out that in the event of export or re-export by third parties, the exporter must observe and comply with the applicable statutory export control regulations and restrictions.</p> <p>Cancellation and return of goods : Unilateral termination of the contract by the buyer is excluded.</p>
